Champion — WRG Thailand 2026

Royal Trophy — TO BE NUMBER ONE

🇯🇵 Team Thailand → WRG Japan

EDUCATION

Uthaidhammanuwat Witthaya School

Science–Math–Technology (SMT) program

GPAX (4 semesters) **3.46**

Thairath Wittaya 58 School

Primary

SKILLS

C / C++

Python

Arduino

SketchUp

AT A GLANCE

39 certificates

5 titles · **14** medals · **11** courses

10 robot parts designed in SketchUp & Onshape and 3D-printed

ABOUT

I learn best by designing, building and solving real problems rather than from textbooks alone. I build every competition robot myself — from researching parts and CAD design to 3D printing, wiring and software.

COMPETITION ACHIEVEMENTS

Aug 7–9, 2026

Champion — WRG Thailand Championship 2026, Hit the Box (Senior)

Champion — qualified for and confirmed on Team Thailand for the WRG international round in Chiba, Japan (Nov 15–20, 2026)

May 2026

National Champion with Royal Trophy — TO BE NUMBER ONE Robot Championship

National Champion with the Royal Trophy · Gold medal, 3rd runner-up in MINI Robotic Athletics

Jan 2026

Two regional titles — 73rd Student Arts & Crafts Festival

Gold medal, first place in both events

Aug–Oct 2025

Five gold medals — Robot Realm Robotic Olympiad 2025

Gold in Wall Tracking Rescue and Robot Athletic · Gold, 4th runner-up in Robot Athletic (round 2), Rescue Survival Bag and the legged penalty-kick robot

2025–2026

International stage — FIRST Tech Challenge & Global Robotics Competition

Team won the Best Booth Presentation Award — FTC Thailand Championship

2024–2025

TO BE NUMBER ONE, Robotic Thai Youth League and more

Champion, Robotic Thai Youth League Division 3 · Gold, Network School Robot · Gold, Rescue Survival Bag · Excellent Award, Mitr Phol Grand Robotics · Silver, Wall Line Track and bronze, LINE Fast (CPU ASEAN Grand Prix)

PROJECTS

Smart Classroom AI

National Coding & AI Competition (depa), lower-north round

Electronic Control Box Perfect System

Science Invention Project — Royal Trophy Competition, 3rd edition · Expert satisfaction rating: 4.82/5.00 (highest level), from 5 evaluators

Eco Student Bot

Science Invention Project — Nakhon Sawan Rajabhat University

Silver medal, Nakhon Sawan Rajabhat University
